

Section	Updated Language Description	Policy Language Added
Collection and Use of Personal Data/Data We Collect	Description of facial recognition data collected to allow the software to recognize individuals from provided photographs for use in the Companion mobile app.	Face Recognition Data: Personal Data that is generated in connection with an analysis of a photo or other image for purposes of using automated systems to identify an individual in another image, e.g. a facial map or similar analysis of facial geometry. Face Recognition Data may include Special Category data to the extent revealed in the creation or processing of the Face Recognition Data.
Collection and Use of Personal Data/How We Collect Personal Data	Description of the sources of personal data used in facial recognition, and to enable the system to recognize users in the Companion mobile app.	We collect Personal Data from various sources based on the context in which the Personal Data will be processed: We collect Personal Data from various sources based on the context in which the Personal Data will be processed: Data we collect from you: We collect Personal Data from you directly, for example, when you complete a form or contact us directly. Data we receive from others: We receive Personal Data from third parties with whom we have a relationship in connection with a certain transaction supported by a third party service provider. For example, we may receive certain customer information (e.g. name, contact, and ordering information) when you make a purchase using a third party payment service provider. Data collected automatically: We may collect certain Personal Data automatically, for example, we collect Device Data automatically using cookies and similar technologies when you browse our Site.
Data Sharing/Generally	Adding the notice that some personal data may be shared with outside providers that support our applications such as cloud hosting services, or to enable features in	Business Purposes: In connection with our general business operations, product/service improvements, to enable certain features, and in connection with our other legitimate business interests or other business purposes, we may share your Personal Data with service providers or subprocessors who provide certain services or process data on our behalf. For example, we may use cloud-based hosting providers to host our Sites or disclose information as part of our own internal operations, such as security operations, internal research, etc.) When we disclose information for business purposes we may disclose Identity Data, Contact Data, Device/Network Data, and User Content. We may also disclose to service providers Special Category Data and Face Recognition Data to the extent you authorize processing in connection with our Face Recognition Services.

	CampMinder applications.	
Your Rights & Choices/Your Rights	Added privacy provision required by California law.	<p>To the extent required under applicable law, and subject to our rights to limit or deny access/disclosure under applicable law, you have the following rights in your Personal Data. You may exercise your rights by contacting us at the address below.</p> <p>California Rights: Residents of California (and others to the extent required by applicable law) may request a list of Personal Data we have disclosed about you to third parties for direct marketing purposes during the preceding calendar year. Upon receipt of a verifiable request, you may also request that we provide you a copy of your Personal Data, direct us to stop selling or disclosing Personal Data for certain purposes (if we have done so), and receive information regarding: (1) the categories of Personal Data we have collected about you, or that we have sold, or disclosed for a commercial purpose; (2) the categories of sources from which your Personal Data was collected; (3) the business or commercial purpose for which we collected or sold your Personal Data; (4) the categories of third parties with whom we have disclosed your Personal Data, or sold, or disclosed it for a business purpose; and (5) the specific pieces of Personal Data we have collected about you.</p>
